

请问在5个小时之内用英文是用within么？在新概念一有一句in 5 hours' time =在5小时候之后

1.in：过.....后（未来时间）注意如果用于过去时，用after +时间。She went to Nanjing last May, and she came back after a month.去年五月她去了南京，一个月之后她又回来了。大多用在将来时（一般将来时和过去将来时）。in an hour 一小时之后in a week or so 一个多星期之后He will be back in five hours.他五小时之后回来。They said they would arrive here in a week.他们说他们一周后到达。2.within：不超过.....的范围比较within和in with in强调在.....时间之内，没有时态的限制。in是以现在为基准，in an hour是指从现在起1小时之后，所以一般只用于将来时。within 3 hours 3小时之内I must finish painting the cat within five minutes.我必须在五分钟之内画好这只猫。They worked hard. They finished the work within 2 days at last.他们努力工作，结果终于他们在两天之内完成了这项工作。

现在买ps4值得么.ps5什么时候能出.
